

Adjusting your Insurance Cover – Fix, Reduce, Cancel

You can adjust your insurance cover to suit your personal circumstances. Please refer to the Product Disclosure Statement and Insurance guide for further information about your insurance options.

In considering your insurance needs you may wish to seek the advice of a licensed and appropriately authorised financial adviser.

Use this form to:

Opt-out of default cover

You may be eligible to receive automatic default insurance cover for Death, Total and Permanent Disablement (TPD) and Income Protection (IP) when your super account balance reaches \$6,000 or over and you are aged 25 years or older. You can elect to opt out of receiving automatic insurance cover by completing Step 2.

Reduce or cancel your current cover

You can reduce your level of Death, Total & Permanent Disablement (TPD) or Income Protection benefits, and increase your waiting period, or decrease your benefit payment period, by nominating the new level of cover you require in Step 3. If you wish to cancel your cover altogether, complete step 4.

Permanently fix your existing level of age-based cover

This will stop your age-based cover from reducing over time as you get older, other than TPD cover which starts to reduce from age 66. To make this change, simply nominate your existing level of cover in Step 5.
